

# PAPER GIFT BAGS & GIFT WRAPPING PAPER

Our high-quality gift bags feature an attractive matte finish and glossy, hot-stamped designs. All these are finished with satin ribbons and decorative elements, and are designed in-house by our talented artists in our graphic studio in Poland. Our collection is perfect for special occasions such as **weddings, Christmas, and Holy Communion.**

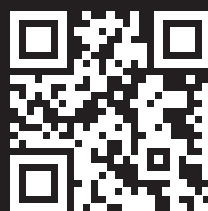

At our company, we believe that quality and creativity are the keys to success. That's why we use only the finest materials and employ the most talented artists to ensure that every bag we produce is a true work of art. Don't settle for ordinary gift bags – choose our **premium collection** for a truly memorable gift experience.

In addition to designing bags, we also create **paper** that creates cohesive collections with our bags.

# PHOTO FRAMES

For special moments

RM-034T

RM-071T

Our beautifully crafted photo frames are designed in Poland. With a wide variety of designs, these frames make a fantastic gift for special occasions such as weddings, First Communion, baptism, general birthday or Christmas. The frames are beautifully finished with dimensional elements and packaged in a gift box, making them a perfect way to cherish memories and show your loved ones how much you care.
